

Thank you to **Castle Hot Springs Resort** for generously allowing the Naval Academy Parents' Club to host the Ball in your private hangar at the Scottsdale Airport for our "Top Gun" themed elegant evening! Thank you radio and television personality, **Mr. Chris Coraggio**, for graciously offering to emcee the Ball honoring and celebrating the Midshipmen and Cadets who hail from Arizona and attend one of the five service academies: USNA, USMA, USAFA, USMMA, and USCGA. Thank you, keynote speaker, **Captain Charlie Plumb**, USNA 1964, for inspiring and captivating the audience with your message, and then graciously staying for book signing. Thank you to all of the amazing and generous sponsors who made this event possible and incredible! The photos links have been sent to those who purchased Ball tickets.
